

SAME PAY SAME JOB FOR LIFEGUARDS

PETITION -

Lifeguards play an important role in their day to day jobs by keeping beaches and members of the community safe.

Some casual Lifeguards have been employed on a regular basis for nearly 20 years and have contributed a great deal to make the service what is it today.

We're calling on the CEO to recognise the contribution we continue to make by affording us the ability to progress to higher levels in the same way as permanent Lifeguards. This would be calculated on a pro-rata basis meaning we may not progress at the same rate due to reduced hours worked per annum.
