

AWU UPDATE **SECURITY OFFICERS**

8 August 2022

WHAT WE ARE FIGHTING FOR

Security officers in Queensland Hospitals put themselves on the line every day for the safety and security of other staff and patients – but management isn't giving them the right tools for the job.

That's why the AWU is fighting for **better pay, conditions, equipment and training** for security officers.

In your next agreement, the AWU is fighting for:

- ✦ **Additional security officers** in Queensland Hospitals.
- ✦ **Fit-for-purpose training to address the gaps in MAYBO** (or replace it altogether).
- ✦ **Protective restraints and body worn cameras** for all security officers.
- ✦ A new state-wide **Security Consultative Committee** to give security officers a forum to raise issues in their workplace.
- ✦ **Fairer disciplinary processes.**
- ✦ Increased protections against **outsourcing**.
- ✦ Better **backfilling** and **rostering** provisions.
- ✦ Queensland Health to pay you on the day they are meant to.
- ✦ A **30% penalty rate** for **night shifts**.
- ✦ **Fair pay increases** that reflect the **increasing cost of living**.
- ✦ ... and more!
